BOATSHED STORAGE CLUB RULES

- 15.1. Boatshed storage is available for class yachts that are raced as a fleet of the Club.
- 15.2. No yacht is to be left in the boatshed without the prior approval of the Centreboard Captain, Rear Commodore of Sailing or General Manager.
- 15.3. Racks are allocated annually by the Centreboard Captain and General Manager; and owners of the yachts are required to pay an annual storage fee. Pro-rata refunds of storage fees do not apply.
- 15.4. All stored yachts must be raced a minimum of two races at the Club each month during sailing season to retain a rack.
- 15.5. Yachts not left in their allocated rack or yachts left in the boatshed without prior approval will be removed from the Boatshed.
- 15.6. Non Members class yachts (i.e. club training boats, Association training boats and boat moulds) are not to be left in the boatshed without the approval of the Centreboard Captain or General Manager.
- 15.7. Repairs to yachts stored in the boatshed: Only minor repairs can be carried out without prior approval from the Centreboard Captain or General Manager.

I have read and I understand the Club Rules detailed above. I am aware that the allocation of accommodation is dependent upon my continual active Club participation. I understand that I must be a financial Senior or Junior member to be on the Club's boat register and to remain on any Club accommodation waiting list.
