## ***CENTREBOARD REGISTRATION 2011/12***

### **Welcome to our Summer Season**

Our Sailing Instructions require all boats to be registered with East Fremantle Yacht Club each year. Skippers and crews are required to be members of East Fremantle Yacht Club and to have a Yachting Australia Youth or Silver Card. The Club will arrange Yachting Australia Youth or Silver Cards for skippers and crew recorded on the Centreboard Registration form attached on the provision they are financial members of East Fremantle Yacht Club.

Late registrations and incorrect information have caused problems in the past.

- Please complete the Centreboard Registration Form attached (PRINT CLEARLY) and return to the Start Tower as soon as possible.
- We will then enter you onto our race results computer and you are eligible for Consistency and Club Championship points.
- Your Yachting Australia Youth or Silver card will be ordered.
- You will also be issued with a set of updated East Fremantle Yacht Club Sailing Instructions/courses and an East Fremantle Yacht Club Sailing Program for the skipper and crew.

Sailors are reminded that **there have been changes to our sailing instructions and courses** and to familiarise themselves with any changes which also includes a requirement to have **third party liability insurance**.

Danny O'Byrne  
Centreboard Captain
