Capital Levy:

To maintain our wonderful facilities we ask members to contribute a capital levy which is charged quarterly (\$28.75 Senior / Senior family groups and \$14.50 Social / Social family groups) for current and future capital projects.

House Support System (HSS):

To encourage members to take advantage of our renowned hospitality offerings, EFYC have a quarterly House Support System (HSS) that can be used to purchase food & beverage or merchandise from our club house. The HSS is charged at \$90 / quarter (30th June, 30th September, 31st December, 30th March) & is redeemable for 6 months after the payment has been made.

CLUB MARINA FACILITIES

The East Fremantle Yacht Club is located in a protected and pristine area of the Swan River where our members & their guests can enjoy a well maintained Marina Facility.

Pens & Moorings:

Pen & Mooring Licence information is available on request from the Club Office. *Please note: There is a wait list for all Applicants and a non-refundable wait list fee applies \$300 (Pens) & \$55 (Moorings).*

All vessels occupying pens or moorings at EFYC must comply with the below;

- All vessels are to be registered with the Club.
- All vessels occupying pens or moorings in the Marina, using the launching ramp & fuel facility must have a Club Fire & Safety Compliance Certificate & be inspected every 3 years.
- Launching ramp requires a key, which is only available to Senior / Country Members who have provided details of the vessels that will be launched.
- Fees are charged for all Membership 'add ons' such as having a boat in the Marina, being a Skipper on a Keelboat or Centreboard & being a partner in a boat so that you only pay for what you require.
- If you are a partner in a boat which is in Accommodation at EFYC, you are required to be a Senior Member of the Club & declare your interest in the vessel. Through the Waitlist Process, you can be assessed for your participation and if the boat changes hands, will have previous history to refer to when looking at future accommodation in your own right. By not declaring an interest in a Club vessel, you will have no recognition as to ownership & will not be covered within our Club Guidelines to use the boat. Please discuss this with the General Manager if you require further information.
- The East Fremantle Yacht Club encourage our Members & their boats to remain active. Part of our Club requirements are that you attend a minimum number of on water "Events" each year. For Power Boats this is a minimum of three (3) & for Keelboats, the minimum is twelve (12). This will enable you to maintain your boat within our Accommodation. If you are finding that you cannot meet this commitment, please contact the General Manager or Section Captains, to discuss your circumstances. Options are available to offset some of these activities through Volunteering & we can organise "Members" events which may assist you complying with the Participation Guidelines.
- Many Members join the Club who have only recently purchased their first, or a larger vessel & find that they are having difficulty navigating through our pens & Marina facility. If this is you, please contact the General Manager as we have very experienced Skippers who would be able to provide some training so that the use of your boat does not become uncomfortable. It is also an expectation of the Club that you can handle your boat to a high standard in all situations.

Fuel / Ice:

Upon application, Senior Members & authorised Corporate Members with vessels will have 24-hour access to marine fuel & ice.

- Authorised members use their swipe card to access the fuel system.
- Fuel can be charged to your Club account, which needs to be cleared monthly by direct debit, or by arrangement with the Club Accountant.
- A G6 key is required to access ice 24/7 (available for purchase through the office).
- An induction with the General Manager or Bosun is required when you first arrive to ensure you are conversant with our Emergency Response for Incidents, Spills & Fires.

ON WATER ACTIVITIES

EFYC strongly encourages on-water competition & participation from members to maintain an active & social yacht club. There are many ways to participate in Club activities with yacht racing for sailing boats, time trialing for power boats & cruising for both sailing & power. We offer extensive training, yacht racing & on water activities for all sections.

Sections:

- **Centreboard:** Racing - Saturday afternoons (Oct - April) & Winter Racing once a month.
- **Keelboat:** Racing - Sundays (Oct – April) & Winter Racing twice per month, Friday afternoon sailing throughout the year, as well as twilight sailing - Wednesday 6pm (October – April).
- **Power Boats:** On water activities including raft up, social events, Rottnest weekender, Garden Island picnic, fishing competitions & much more.
- **Dragon Boats:** EFYC has partnered with Cockburn Dragon Boat Club, so as a member of EFYC you can enjoy the benefits of both clubs.
- **Stand-up-Paddleboards** – available for hire through the EFYC office.
- **Fishing & Diving** – We have some interested Members who are looking at forming Groups in this area, so please make yourself known via the office.
